Mumbai, 14 Sept. 2022

Upon the Invitation of Shri Subhash Ghai Sahab (recipient of Filmfare Life Time Achievement Award 2022) it was an honour for our most celebrated Sahaja Yogi brother & former Vice Chairman of NITI Aayog, Government of India, Dr. Rajiv Kumar ji to accept the same - A grand Function was organised jointly by Immaculate Ideal Human Foundation (IIHF) & Faculty of Whistling Woods International (WWI) on 14th Sept 2022, to showcase the film **GRIHALAKSHMI-THE AWAKENING**

(based on Sahaja Yoga Meditation), directed by Shri Arvind Pandey (Faculty of WWI) & Edited by Shri Prashant Naik ji (Faculty of IHF) along with a peek preview of Forthcoming Film MAHALAKSHMI PATH - THE EVOLUTION directed by Shri Prashant Naik ji@ 9.30 am on 14th Sept 2022 at India's No1 Theatre of WWI in Film City, Goregaon

The film was watched by over 250 Students & faculty members of WWI, to whom the film granted Self Realisation directly by HH Shree Mataji Nirmala Devi ji herself.

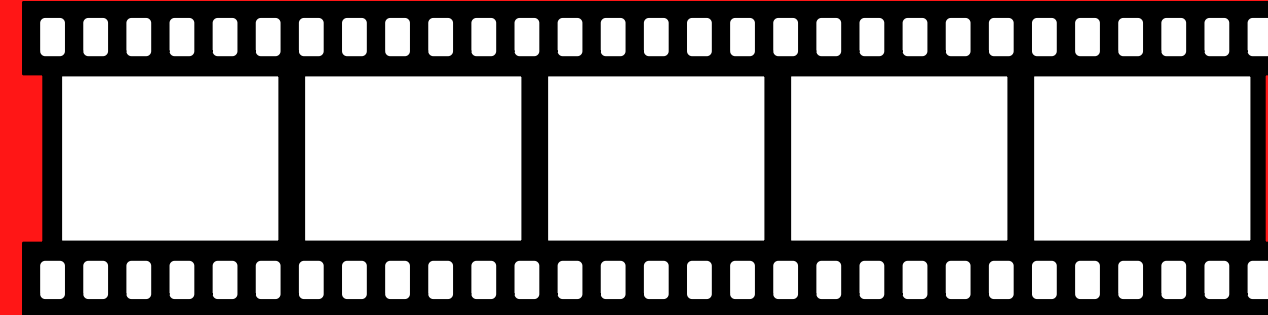

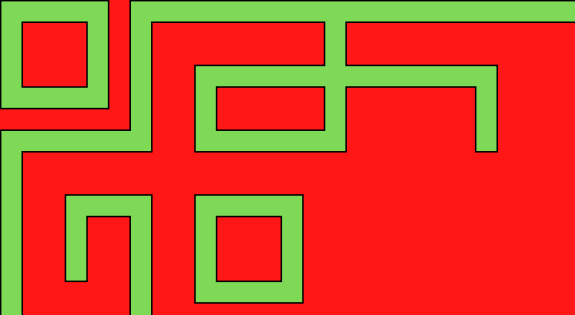

The Audience greatly appreciated the film and responded with clapping & cheers.

Post the film screening, the film producer Mr. Sanjay Roshan Talwar, Shri Arvind Pandey, Shri Prashant Naik ji & Dr Rajiv Kumar took centre stage for a very interesting interactive session with the audience, that lasted for over 75 mins.

It was a memorable experience to watch the audience interact with the panelists with mature questions & observations.

Sahaja Yoga veterans like Shri. N.N.Tikku & prominent Sahaja Yogis of Mumbai were present.

This was followed by a closed door meeting of the panelists & guests with Mr Rahul Puri CEO & MD WWI & Shri Subhash Ghai ji Chaiman WWI, followed by lunch. The discussions that ensued during the closed door meet were focussed on how the impact of Sahaja Yoga can solve all ills of the society,

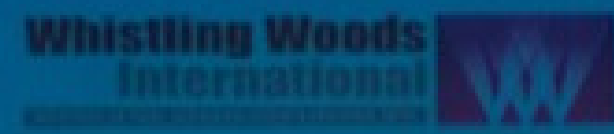

& how it is the one & only way to become thoughtless - a state most necessary for Man to become a powerful tool to self correction & spread love & peace in the world. How Cinema influences our social life & how films on Sahaja yoga (just shown) can make the difference in ushering a new world order.

The event ended with a tour of Dr Rajiv Kumar of WWI and a very warm send off to all the guests.

Highlight - A brief studio recording (called Bites) of Dr Rajiv Kumar & Mr Sanjay Roshan Talwar was done to add to the archives of achievements of WWI - A great honor bestowed on the guests.
